My dear Mr. Colman

I thank you for the note
a note to Somerset
I do not know his address
but a letter addressed to
the care of Mrs. Puttlockers
Chalk & Windus, Piccadilly
will be sure to find him

Hallivell has sent me
supplement to his notes on
the History of Shakespeares
name in which he also
speaks of me with great
respect & regard

Yours affly

Richard Dumas

J. D. Colman
